Md. Arafat Ali

3D Generalist / Animator

WORK EXPERIENCE

3D Generalist

Freelance - 6 Months

Zack D. Films

At Zack D Films, I worked as a 3D Generalist, creating and animating 3D characters and assets for short-form content. I was responsible for character modeling, including biped and quadruped characters, rigging, animation, texturing, and creating textured 3D props.

3D Generalist

2024 Dec - Jan 2026

Arlite Systems Ltd.

At Arclite Studio, I worked as a 3D Artist, creating production-ready and game-ready characters and assets. I was responsible for modeling, retopology, UVs, texturing, rigging, animation, and asset optimization for game projects.

3D Generalist

2022 Sep - 2024 Nov

99 Explainers Studio

At 99Explainers, I worked as a 3D Generalist, handling modeling, rigging, animation, texturing, lighting, and rendering for animated and commercial content. I also led the 3D team, managed production tasks, reviewed work, and trained interns.

Junior 3D Artist

2021 Oct- 2022 Aug

TechnoMagic Pvt. Ltd.

At Technomagic Pvt. Ltd., I worked as a 3D Artist, contributing to character and asset creation across different stages of production. I handled modeling, texturing, rigging, animation, lighting, and rendering while working closely with the creative team.
